

# SPRINGFEST 2018

## Music Café

Dear students, parents, and colleagues,

This year's Springfest will take place on Friday, May 4. Much of the musical entertainment for the day will be provided by students, staff, **and the parents**. We are currently working on a program for the **Music Café** in the teachers' canteen (10:00-22:00) and would love for you to share your musical talents with us!!!

If you play an instrument, sing, dance, or would like to propose any other form of performance, please sign up using the links below (your first and second choice of time slot – **between 5 and 20 minutes**), or contact our student **Music Café** manager, Kati:
