## The Information Sessions

**18.00-18.45**

### ***“UK Universities: Brexit and Beyond—Fact & Fiction”***

***(The Universities of: Sussex, Southampton, Essex and Nottingham)***

Brexit will have a major impact on UK universities. But what do they—and we—actually know for certain? What other, non-Brexit developments are taking place in UK HE?

***(BREL THEATRE)***

**19.00-19.45**

### ***“Higher Education in Scotland”***

***(The Universities of: Stirling, St Andrews, Glasgow and Abertay)***

Scotland is one of the four countries in the UK, but its higher education system has significant differences to the rest of the UK, including curriculum and, for EU students, the fees.

***(BREL THEATRE)***

**19.00 to 19.45**

### ***“GAP Year 101”***

Should I take a year out between school and university? What are the options?

***(Oyster Worldwide Travel and Project Trust)***

***(SOCIAL AREA)***

**20.00 to 20.45**

### ***“Medical and Veterinary Courses in the UK”***

***(Brighton & Sussex Medical School and Royal Veterinary College)***

What is the admission process? What is an MMI, the BMAT and the UCAT? What is it like to study to be a doctor or a vet in the UK?

***(BREL THEATRE)***

**20.00 to 20.45**

### ***“Higher Education in Ireland”***

Ireland has the largest number of course in English in Europe, outside of the UK. Ireland will be remaining in the EU and therefore could increasingly become a destination for EU students.

***(University College Dublin)***
